## **SCOPE**

This Induction Policy applies to all Newly Qualified Teachers (NQTs) partaking in *Droichead (Teaching Council, 2017a)* at CTI Clonmel. It also applies to management and members of the Professional Support Team (PST). ## INTRODUCTION

The *Droichead (Teaching Council, 2017a)* process is an integrated professional induction framework for newly qualified teachers. It recognises the effectiveness of the reconceptualised programmes of initial teacher education and particularly the extended school placement, in the professional preparation of student teachers. It builds on that phase, taking as its starting point the areas for further learning that have been identified by the NQT in collaboration with the HEI as part of the school placement experience.

At the same time, it recognises that induction is a distinct phase of the continuum of teacher education, a socialisation process into the teaching profession. This integrated framework includes both school-based and additional professional learning activities to address the needs of teachers as they begin their careers.

The main objective of the *Droichead (Teaching Council, 2017a)* process is to support the professional learning of the NQTs during the induction phase, thus laying the foundations for subsequent professional growth and learning for the next phase of their career.

Following the *Droichead (Teaching Council, 2017a)* process, a declaration is made by the NQT that he or she is ready to move to the next phase on the continuum of teacher education. A joint declaration is made by the teacher and experienced colleagues, following collective reflection, that through their engagement in *Droichead (Teaching Council, 2017a)*, they have participated in a quality teaching and learning process. The Teaching Council then removes the *Droichead (Teaching Council, 2017a)* condition from the teacher's registration. The teacher will be fully registered by the Council when all registration conditions (e.g., Irish Language Requirement, qualifications shortfall conditions) have been deemed by the Teaching Council to have been met.

When an NQT is employed in a participating school in an eligible setting (*Droichead Policy Section 1.1.2, Teaching Council, 2017b*) and for the minimum period of professional practice (*Droichead Policy Section 1.1.3, Teaching Council, 2017b*), they apply for the *Droichead (Teaching Council, 2017a)* process via the 'My Registration' portal on [www.teachingcouncil.ie](http://www.teachingcouncil.ie). An email confirmation is issued to the NQT from the Teaching Council confirming that they have applied for the *Droichead (Teaching Council, 2017 a)* process. This record should be retained, to be submitted with a completed Form D.

There are two key strands of the *Droichead (Teaching Council, 2017a)* process as an integrated induction framework for newly qualified teachers. The first strand is a school-based induction one (Strand A), through which the NQT is supported by experienced colleagues. The second strand is made up of additional professional learning activities (Strand B), which involves attendance at NQT cluster meetings in local education centres, and one other professional learning activity, related to the needs of the NQT. Typical learning activities might be, for example, participation in a workshop, a meeting of a Teacher Professional Network/subject association, an online/blended learning activity, attendance at a conference, Féilte, etc.... (*Teaching Council, 2017 a*).

## **OBJECTIVES**

The *Droichead (Teaching Council, 2017a)* process is an integrated professional induction framework for NQTs.

The main objective of the *Droichead (Teaching Council, 2017 a)* process is to support the professional learning of NQTs during the induction phase, thus laying foundations for subsequent professional growth and learning for the next phase of their career. (*Teaching Council, 2017a, p3*)

The Teaching Council (2017a) has set out the following standards to support the *Droichead* process, in guiding the NQT, with the PST, in relation to their professional learning and practice. Through indicators of good practice, by their engagement in the *Droichead* (Teaching Council, 2017a) process, the NQT will:

- i. Have engaged professionally with school-based induction and additional professional learning activities.
- ii. Have demonstrated a satisfactory commitment to quality teaching and learning for their pupils/students.
- iii. Have demonstrated an ability to engage in reflective practice that supports their professional learning and practice, both individually and collaboratively. (Teaching Council, 2017a, p6).

## PROTOCOLS

This policy adheres to the protocols identified in the *Droichead– The Integrated Induction Framework* (Teaching Council, 2017a). This policy is specifically supported by the following sections:

- Professional conversations: (Teaching Council, 2017a, p5)
- Observation: (Teaching Council, 2017a, p5)
- Maintaining records of the *Droichead* process (Teaching Council, 2017a, p6)
- Concluding the *Droichead* process (Teaching Council, 2017a, p7).

This policy is part of a suite of documents to support *Droichead* (Teaching Council, 2017 a) in the school. These documents include:

- Droichead: The Integrated Induction Framework, (Teaching Council, 2017a).
- Teaching Council Standards (accompanied by our customised Indicators and Examples of School Context).
- PST Roles and responsibilities.
- Droichead outline drafted by the PST and finalised with NQT input.
- Needs Analysis/Induction Plan – updated regularly in collaboration with NQT.

## **SETTINGS IN WHICH THE *DROICHEAD (TEACHING COUNCIL, 2017 A)* PROCESS CAN TAKE PLACE**

A post-primary teacher will normally undertake the *Droichead (Teaching Council, 2017 a)* process when employed in a recognised post-primary school. As a general rule, paid employment in a permanent, temporary or substitute capacity is eligible, so long as such employment will afford the teacher the opportunity to meet the minimum duration requirements set out in the *Droichead* policy (*Teaching Council, 2017a, Appendix 1*).

A post-primary teacher may also complete the *Droichead (Teaching Council, 2017 a)* process where they are employed in one of the following roles:

- i. a special school where a proportion of the pupils attending the school are of post-primary age, and where the teacher is teaching a post-primary curricular subject(s) to such pupils, or
- ii. a Centre for Education where a post-primary curricular subject(s) is being taught. (*Teaching Council, 2017a, p7*)

It should be noted that where NQTs are employed in the above settings via voluntary (unpaid) service or internship schemes such as JobBridge, and similar such schemes that may be commenced in the future, this is not deemed acceptable by the Teaching Council as being suitable for *Droichead* (Teaching Council, 2017a, p4)

## **DURATION OF PROFESSIONAL PRACTICE REQUIRED**

Professional practice includes school placement (10 weeks) during initial teacher education and (ii) post-qualification practice. The *Droichead (Teaching Council, 2017a)* process which fulfils the post-qualification professional practice requirement, has been modified to take into account the extended school placement during initial teacher education.

A post-primary teacher must complete 200 hours' teaching employment in an eligible setting to include the teaching of a post-primary curricular subject(s) to a designated class on the school's timetable, or employment in a learning support, special needs or language support position.

The teacher must apply for the *Droichead (Teaching Council, 2017a)* process via the 'My Registration' portal on [www.teachingcouncil.ie](http://www.teachingcouncil.ie). It should be noted that these are absolute minimum periods of practice. Given that *Droichead (Teaching Council, 2017a)* as an induction framework is

designed to provide the maximum degree of support, guidance and advice, it is recommended, where an NQT has additional time in his or her school over and above the minimum requirements set out above, that extra time be used to support the *Droichead* process (*Teaching Council, 2017a, pp 4-5*).

## **OBSERVATIONS**

Observations are also a key feature of *Droichead* (Teaching Council, 2017a). This includes observations by the NQT of more experienced teachers' practice, as well as observation of the NQT's practice by the PST. Both types of observations are arranged in advance and provide NQTs with opportunities to learn from their fellow professionals. Observations by the PST of the NQT's practice should focus on areas where the NQT feels that they need particular advice, help and support. The NQT should therefore be encouraged to teach in an area where they feel their learning need is greatest. This can then provide the basis for a subsequent professional conversation. It is recommended that there would be at least two of each type of classroom observation (observations by the NQT, and observations of the NQT's practice), and that the exact number, and the classes observed, should be based on discussions between the NQT and the PST. (*Teaching Council, 2017a, p5*).

## **TAISCE – PORTFOLIO-BASED LEARNING**

Portfolio-based learning is an important process to support the NQT in engaging in these professional conversations. The Council uses the term Taisce, (Irish for treasure trove) to refer to this process of portfolio-based learning. Engaging in the process of portfolio-based learning enables the NQT to reflect on their professional learning in a way that suits them and identify and plan for areas in which they may need further support or guidance. (*Teaching Council, 2017a, p5*).

## **ROLE AND RESPONSIBILITIES**

### **Professional Support Team (PST) Role:**

The PST is a team of fully registered teachers who work collaboratively to support and mentor the NQT during school-based induction, in the first stages of their professional journey. All PST members at CTI Clonmel have completed a programme of professional learning with NIPT/Oide, including

mentor skill development. CTI Clonmel may form a school PST or an inter-school PST or may invite one external PST member to join the internal school staff, if required.

Supporting a newly qualified teacher during *Droichead (Teaching Council, 2017a)* is always a collaborative process, although the roles and responsibilities of PST members may vary in different school contexts, and are therefore agreed before the *Droichead (Teaching Council, 2017 a)* process commences at CTI Clonmel.

The dual role of the PST is to:

- guide and advise the NQT during school-based induction, in the first stages of their professional journey.
- form a joint declaration with the NQT that they have participated in a quality teaching and learning process. (*Teaching Council, 2017b, p3*).

#### **PST Responsibilities:**

The responsibilities agreed by the PST at CTI Clonmel are identified in the **Appendix 1** of this policy. The PST's responsibilities are neither exhaustive nor prescriptive and will be reviewed in light of experience. Responsibilities directly relating to support and mentoring relate to all team members while other responsibilities are designated to a named team member. The PST at CTI Clonmel recognise that it is also important that these agreed responsibilities are communicated to the NQT at the earliest opportunity.

In support of a NQT's *Droichead (Teaching Council, 2017a)* process, the PST will invite the wider school staff to provide opportunities for

- Co-planning
- Co-teaching
- Sharing of resources
- Engaging in professional conversations
- Facilitating class observation

The PST at CTI Clonmel will share its role and agreed responsibilities with the NQT at their initial meeting.

#### **NQT Role:**

Supporting an NQT through *Droichead (Teaching Council, 2017a)* at CTI Clonmel is always a collaborative process. *Droichead (Teaching Council, 2017a)* is fundamentally about the NQTs professional journey and the process of their induction. A key part of this process is an NQT's engagement with more experienced colleagues, and reflection on the professional conversations that take place on their own professional learning and practice.

Through their engagement in the *Droichead (Teaching Council, 2017a)* process at CTI Clonmel, the NQT will:

- i. have engaged professionally with school-based induction and additional professional learning activities.
- ii. have shown their professional commitment to quality teaching and learning for their pupils/students.
- iii. have engaged in reflective practice that supports their professional learning and practice, both individually and collaboratively

Based on above, the NQT will sign a joint declaration with the PST, that they have participated in a quality teaching and learning process. (*Teaching Council, 2017b*).

#### **NQT Responsibilities:**

To guide the NQT in their role at CTI Clonmel, some suggested responsibilities are identified in **Appendix 2** of this policy. The PST at CTI Clonmel will share its roles and agreed responsibilities with the NQT at their initial meeting.

#### **Self-Evaluation**

The PST is constantly monitoring and reviewing the supports it provides to NQTs at CTI Clonmel. The PST ensures to align SSE targets at CTI Clonmel with the support on offer to NQTs. A needs analysis takes place at the beginning of the year/at the beginning of the NQT's *Droichead (Teaching Council,*

2017a) process. This helps to inform the NQTs *Droichead (Teaching Council, 2017a)* Outline Plan and is reviewed regularly. Regular consultation takes place between the participants throughout the year and a review of the *Droichead (Teaching Council, 2017a)* process takes place at the end of the year. The PST annually reviews the supports on offer, the progress made on goals set previously and any outstanding areas are discussed.
